WHO WE ARE

About **us**

Our Company

Cider Point Trading is a Black-owned company striving to become one of the best in the electrical field. We provide companies with repair services, using the latest technology to meet our customers' needs.

Our Objective

To grow into a successful engineering and technical services provider that is profitable, sustainable and high-growth, positioned across the entire value chain of the local industry.

Our Vision

To enhance an environment that is conducive to economic growth and business development.

Our Mission

To be a reliable and trusted company within the services we render.

Our Values

We value excellence, trust, respect and mutual relationships. Friendly communication and social responsibility help us aspire to quality service.

Our Philosophy

Consistent quality services.

Consistent innovation.

Knowledgeable suppliers, to build trust and good relationships.
